TRULUX™ Invisible Slot Channel

For seamless lines of light that blends directly into the wall or substrate, the invisible channel is a premium solution to applications where modern and clean looks are a must. Simply install during the new construction drywalling phase by perfectly blending the channel into its surroundings. Once completed, all you are left with is a stunning line of light seamlessly incorporated into the wall or substrate.

Best suited applications:

Ceiling/wall slots, hallways, corridors, lobbies, theaters, and accent lighting
